About This Content

Whether your heroes are plunging into the deepest caverns, exploring long forgotten ruins or are lost in a labyrinth; it's always very important to set the appropriate mood for your dungeons. The Dungeon Music Pack by Scythuz was created with such exploits in mind.

Covering a wide variety of areas and themes such as sinister castles, futuristic space-stations and the darkest secrets of the underground; this pack will definitely add the most fitting atmosphere and give your dungeons the right tone for when you truly want to create a sense of immersion in your game.

rpg maker vx ace - dungeon music pack

A large music pack with most falling on the typical side. Only a select few really do much. It still adds some variety to your BGM collection, though I'd save it until you've already got some better sounds.. Has more use than the Classic Fantasy Music Pack. I highly recommend you acquire this and not the other one. You'll find much more use out of this one.
